

Birko Conveyor Toaster

Masses of golden toast for high-volume kitchens.

Simply feed in the bread for perfect toast to roll out at up to 600 standard slices per hour. Ideal for hotels, catering and schools.

Commercial quality – steel conveyer belt, motor and gears, metal elements (upper/lower) and stainless steel (#304/#430) construction with stylish brushed finish.

Fingertip control – European energy control, feed and front return operation or rear exit, dual element control and conveyer speed controls.

Practical – Removable stainless steel crumb tray and chute for easy cleaning and energy saver standby mode for quick reheat. Separate upper element and combined upper/lower element settings for greater control.

Convenient – Pass through or front return configuration.

Safe – heat resistant ABS control dial and adjustable legs.

***Not suitable for toasting sourdough bread.**

Conveyor Toaster	
Part Number	1003202
